Refresh Hot Tub

The REFRESH hot tub has been designed for your complete comfort and relaxation with four seats and a lounge.
 The spa has three headrests with an aromatherapy box included with 26 hydrotherapy jets to provide a soothing massage whilst you relax.

The REFRESH hot tub also comes with a maintenance free exterior cabinet with 2 LED lights in the corner panels and 14 colour changing waterline LED lights.
 With it comes an ozone oxidation system for cleaner water and a filtration system that automatically filters your spa water.

It is powered by one main jet pump, a separate circulation pump and an air blower.
 The Balboa GS Series electronic system is the market leader in spa technology and will provide simple to use controls and is very durable.

ARDEN SPAS have over 20 years experience in the industry and have supplied well over 1000 spas throughout the UK and Europe.
