The Euphoria Spa combines the most innovative spa massage ever developed with a 4-person configuration that provides multiple types of invigorating massage. The Levitation Bed™ was developed by Passion Spas and allows the user to lie face down or face up on the massage bed for a head-to-toe massage on both the front and back of the body. The Euphoria also features a comfortable lounge and bucket seats, creating a plethora of seating and massage experiences, like Aqua Rolling Massage™, Therapy Wave Zone™, Intense Therapy Zone™ and Waterfall Massage™.

The 100+ jets allow you to target any part of your body with an invigorating massage, and jet pressure can be controlled throughout the spa.
