The Euphoria Spa combines the most innovative spa massage ever developed with a 4-person configuration that provides multiple types of invigorating massage. The Levitation Bed™ was developed by Passion Spas and allows the user to lie face down or face up on the massage bed for a head-to-toe massage on both the front and back of the body. The Euphoria also features a comfortable lounge and bucket seats, creating a plethora of seating and massage experiences, like Aqua Rolling Massage™, Therapy Wave Zone™, Intense Therapy Zone™ and Waterfall Massage™.

The 100+ jets allow you to target any part of your body with an invigorating massage, and jet pressure can be controlled throughout the spa.

The Euphoria includes our exclusive Synergy Water Maintenance System as well as the full line-up of standard features offered in our Signature Spa Collection.
