The Serenity hot tub comes with 1 luxury lounger and incorporates a further 5 seats making the total amount of seating available to 6 complete with 3 headrests.

All Arden Spas hot tubs come with a sealed base as standard, which is an integral part of the Hot Tubs support structure. It is important to insulate your hot tubs. Without proper insulation a lot of valuable, expensive energy you use to heat the water will be lost through the hot tub body. Our hot tub uses insulating foam to keep warmth of hot tub.
