This is by far the best seller in the H2O hot tub range! The ELEGANCE hot tub series is a fantastic spa that provides plenty of bang for your buck!

This spacious 6 seater hot tub comes with a lounger and a great hydrotherapy jet collection. Thanks to constant popularity, we have upgraded this model year-on-year and are now using the same jets as the higher spec models. We believe the ELEGANCE is one of the best buy spas on the market in this price range. Designed for families looking to spend under £4000, this spa is ideal for first time hot tub buyers.

Lucite® cast acrylic has been developed for over 75 years, which means today we have a highly-

engineered material that has built in durability and performance. Lucite® SPA is quite simply the very best choice if you are looking for a hot tub that will give you years of trouble free enjoyment. With its reinforced acrylic shell the Elegance series is a hot tub that will last for years to come.

Our modern ELEGANCE hot tubs are constructed from state-of-the-art acrylic and development and state-of-the art manufacturing facilities make Balboa the largest manufacturer of hot tub panels in the world. These panels utilize advanced Piezo electronic switch technology to eliminate moisture in harsh environments and offer panel quality and reliability that is second to none.

With a 3HP pump this spa is economical and efficient to run, but still delivering an extremely powerful water massage to its occupants. The spa benefits from a main diverter valve which allows you to switch at the power to one side of the spa. So if you wish to get in for a deep tissue massage you can turn the
