I have my fiesta up for sale due to buying a 4x4. It's a 1.25 ghia. Its 5 door petrol manual. It has 67000 miles in the clock. It has not till February 17. It has been well looked after and is in very good condition. There are couple of age related marks and a couple of scratches but nothing major. It's a lovely little car and I will be sad to see it go. It has central locking and two.
