I am selling my Nissan Micra SE which is in superb condition as it has been very well looked after. It has only done 65,000 miles, has a Nissan Service History and a 12 month no advisory MOT. The Timing Chain was replaced in the last Service Year and 4 new tyres were fitted at 58,300 miles. It has 2 remote keys, the benefit of factory fitted Rear Parking Sensors, Power Steering, Air Conditioning, CD Radio and LCD Display and is fitted with Genuine Nissan Carpet Floor Mats, Mud Flaps, Head Light Protectors, has a spare wheel (not inflation kit) and a spare set of Front Wiper Blades will be included. I have all documents and receipts. This is a very reliable car for someone who is looking for something small and economical and is an ideal first car that is easy to.
