I am a Qualified & Insured body massage therapist and as such, I am offering a very relaxing and soothing full body massage session which lasts 1 hour on the couch. I provide this service from my home based therapy room located in Four Oaks, Sutton Coldfield, Birmingham where there is plenty of free street parking. There are shower and toilet facilities with all towels and toiletries provided for you. I use unscented base oils only. I can use any pressure you wish during the massage, from a light relaxing movement to a more harder deeper pressure. It's your choice, as is which areas are to be massaged and which to be avoided. Phone or text or Whatsapp(always read my status!) Brian for more details or to book an appointment. I am available 7 days from 10am but you can inquire from 7am on wards. 07543
