Height 164cm ((approx.)), Depth 50cm, Width 98cm. Can be dismantled or transported as is. I can't remember the brand, but these sell for £100s new. Not a cheap and cheerful plastic one. Probably worth around £150 now. I no longer use it: it produced pretty good cucumbers. Glass windows and shelving. Glass could do with a clean! Comes with watering system. One glass has been broken but is easily replaced either with glass or hard plastic. Collection only. Please dismantle yourself to remove or bring a car with a roof rack or a.
