Hello there! If you are looking for a personalized and effective errand/companion service then you have come to the right place. My team & I can accomplish the smallest of tasks (such as a trip to the post office) to full blown projects (planning that special birthday party or designing that PowerPoint presentation to secure your client). We specialize in providing companion care and understand the importance of a familiar face when attending doctors appointments and just how much a tea and chat can brighten someone's day. We understand the pressures of work (and life in general) so we are happy to assist wherever we can. Get in touch with us today if you would like our help. We are with you every step of the way! Non-exhaustive list of services offered: Personal Services: drop-off, pick-up, return items as needed, gift shopping service, event coordination Companion Services: loved one check-ups, meals & mental stimulation available including transportation to/from appointments and outdoor outings Office Assistance: report writing, research & data analysis, process fixes, filing, recruitment service, general administrative assistance Holiday Home Service: watering plants, post pick up, pet care, rubbish disposal, refrigerator shop for your return The possibilities are endless. We service the Aylesbury & surrounding area and our standard rate is £15 per hour however we are happy to provide you with a free no obligation quote once we understand your needs. We hope to hear from you soon. All the best, Katie & Team ;
