Location **South East, East Sussex**

1999 LMC 3/4 Berth. Approximately 23ft excluding the hitch. Amazing inside and outside, lovely looking caravan. We have classed it as a 3/4 berth but if someone with basic DIY knowledge wanted to make a basic fold-able wooden frame for the lounge seats then it could easily be turned into a 5 berth. It has 2 new skylights fitted and 2 new tyres. This is a dry van which means it was NOT built with a bathroom, sink or water. If required you could purchase a large water container with a built in tap. Everything works with the exception of the gas fire, a large electric heater will be included in the sale. Does not include gas bottle or electric hook up lead. £2550 OVNO - Hailsham, East Sussex - PX considered with another!
