The Symply II 50 benefits from an upgraded engine providing more power with lower emissions and improved smoothness. Minor cosmetic improvements, front indicators built into the front panel and a more upmarket graphic paint scheme lift the appearance making the Symply II an excellent upgrade from the entry level models. As a testament to the renowned quality of SYM Scooters and Motorcycles, SYM UK are proud to announce that on machines registered from 1st March 2016, customers will benefit from the longest ever standard warranty period in the industry. Machines below 120cc upwards will enjoy a THREE year (30,000km) parts and labour warranty – the only customer commitment is to adhere to the service schedule for their machine! symply250, FINANCE OPTIONS AVAILABLE.
