Product information

Thanks to its optimised design and A+ rating for energy efficiency, this AEG SKS58840S2 integrated fridge features plenty of storage to organise your groceries more efficiently. The fridge is hinged against your kitchen cabinet and is mounted on sliding rails to the appliance door enabling you to save space in your kitchen.

It features 3 shelves, a salad drawer, 3 full length door shelves, a 4 star freezer compartment and a usable 129 litre capacity. In addition to this it boasts electronic controls with frostmatic function and LED

lighting enabling you to access your food with ease at all times. The auto defrost function allows for a full defrost of the freezer compartment, ensuring your food is always fresh.
