Pumpkin Moon is a PYO pumpkin field in Sandling near Maidstone. It is a new venture by the Eckley family who have been farming for over forty years. Fifteen acres have been planted with thirteen different varieties of pumpkin and squash that will be looking impressive for Halloween. Not only are there the usual orange pumpkin, but also tiny Munchkin, bright orange warty Goosebump and white Snowman. It is a lovely location and not only are there pumpkin and squash, there is a mini Maize Maze and hot food and drinks are available. We are open from 10am to 4pm on Saturday October 15th and Sunday 16th October and then again from Thursday 20th and we close on Sunday 30th October 2016. Entrance is free and there is plenty of parking. Prices start from £1 for a Munchkin, but most cost £2-£3. 10% of profits will be donated to the Heart of Kent Hospice and the British Heart Foundation.
