回规提回

This is an ARTIFICIAL leather jacket with ARTIFICIAL fur collar. It is a size M but is fitted so if you want to wear a jumper underneath it will be very snug for anyone over a size 10. The fur collar is detachable, it has two pockets on the front and is very warm. It does look like real leather, when I bought it I had to check the label over and over, have included a photo of it. Collection only,
