Hi, my name is Natalia. Me and my partner are currently relocating from Ipswich to Lowestoft either Wednesday or Thursday this week (28th/29th of September). We have got around 2 large suitcases and about 6 large bags of stuff. I wonder if anyone will travel from here to Lowestoft on these days? We aint got a big budget as we are both on JSA but any help would be appreciated. We would pack and unpack the bags ourselves, just need a transport (:. Would anyone get in touch ASAP. My number is 07519640940 or email - Thanks a lot in.
