I have a lifetime of experience in caring for many types of pets and have owned dogs and cats as an adult for 25 years and I service the Crawley area for Dog walking and Pet Care. I am reliable and trustworthy with a current DBS and Insurance Certificate. I have completed a Canine First Aid Course and hold a professional driving licence so you can be sure I will drive safely when transporting my air ventilated van that has secure crates installed. I know the guilt we feel when time takes us away from our pets and want you to feel peace of mind that they are in good hands and being cared for as if they are my own. Give me a call if you would like to discuss your requirements and I will come and meet you and your pet(s) to make sure everyone is happy to be looked after when you are away for the day or week. Prices vary according to needs so please give me a call today : 07887399637 078873996...(click to reveal full phone)
