Small dole dogs We are a small family run business who specialize in all small dogs that are any age who can not find home's as we take in small dog breeds that are given a full health check and micro chipped all up to date with vaccinations and cared for by me and my partner we live out in the sticks in small dole near Henfield with plenty of fields around us for loads of walks before the dogs/puppies are taken to there forever homes I personally vet and inspect the owners property so I know it's safe for the dogs/puppies to be rehomed we also take in all unwanted pets/animals that the owner can now longer care for due to work commitments or family/marriage break downs or you have health issues and you dont have the time to give them anymore then please call me day or nite before 9pm .

Look forward to hearing from you soon
