Greenhouse to clear Staplehurst Kent. The size is 6ft x 8ft. Aluminium construction with a base frame. There is one broken pane of glass in the sliding door, which can easily be replaced. The roof vent and the louvers have a thermostatic opening device fitted. There is some staging that goes with it. There are also various plant pots and seed trays if wanted. The condition is generally good but it does need a clean as it has been neglected. The buyer can dismantle. &pound
