Selling both cars in our family to buy one SUV now that I work in London travelling by train..... We purchased the Golf from Beadles VW in Sevenoaks a year ago having searched for the ideal Mk7 model found this high specification SE ex demo model which has Park Assist, Adaptive Cruise Control, Electric Folding Mirror's when locking car and LED nighttime lights built in. Also has the front Radar Emergency Braking System so a very safe car. Colour is metallic night blue another extra. When we bought it we managed to get 4 new Bridgestone tyres fitted and carpet mats. Just had MOT last week and Road Tax is FREE..... Often see 60+ mpg on a run. The expensive Thule Wisper roof bars are available for half the new price I paid so £100. They come with the keys and original.
