This bike is in very good condition. With only 38,755 miles should be good for many miles to come. Full set of panniers & top box. All the usual BMW bits; eg heated grips, adjustable seat height, electrically adjustable screen, etc, etc. Service history available for inspection. Sadly it's got to go, at a bit over 70 (me not the bike!) it's a bit too heavy for me to push around and, my wife tells me, it's time to act my age!!!
