Hi all,

This is my immaculate big Kawasaki for sell. I'd like to start the bike is 100% perfectly working order been stored in my garage since I have it from 6000 mi, very well looked after machine and never been ridden in rain.. Clock at genuine 16644Mi from new. I'm the 2nd owner of this beauty. Been serviced properly, big service been done in this year of April.

No rust at all, paint perfect no scratches apart from 1 on the pillion side. its about 3cm wide. Tyres are still good still has at least 3000mi in them depends on usage. Chain and sprocket are in perfect order. Two brothers exhaust made fantastic noise. Custom Stickers are made from 3M brand. Can be easily removed if you'd like or stayed on they have 5 yrs guaranteed.

What's been done on service: Oil+filter(Castrol power 1 racing10w-40, Plugs-NGK iridium, Break oil+pads both side, Air filter been upgraded to K&N, valve clearance, chain tightness, throttle body synch, fork oil(castrol).

There is sat nav been fitted,also you can have it for some extra cash.(Full Europe 2015 maps are on.)

The Price is 5750 Pounds ONO.

Reason: I'm moving abroad with my family.
