- *2004 Nissan Micra SVE (top spec)
- *Keyless Entry and Start
- *Automatic
- *Electric Windows
- *Reverse Parking Sensors
- *Full Service History (mostly Toyota)
- *Stacks of receipts
- *MOT: 22 April 2017
- *Recently fully serviced
- *Cheap to tax and insure

We've had this car in our family for almost 5 years and has proved to be a little gem. Being a Nissan, it's never once gone wrong, or failed to start, even in the coldest of mornings.

It has ISO FIX points for a baby seat and is a doddle to park. It has been serviced and maintained meticulously and will give the new buyer many years of hassle free driving.

It drives very smooth, has reverse parking, a CD player, automatic rain wipers, keyless entry and keyless start, half leather seats and much more....

Mechanically the car is sound in every way. Recently had 4 brand new tyres, brakes were changed at the MOT flat rate. I do advise getting a recent service history as the car is 12 years old and there are two noticeable scratches on the front bumper, one on the left side and one on the right side. One on the front bumper and one on the rear bumper, but you need to

be honest about it has a few scratches as you would expect from a 12 year old car. There are two noticeable scratches on the front bumper, one on the left side and one on the right side. One on the front bumper and one on the rear bumper, but you need to
