What a car!! The legendary Peugeot 406 HDI 110... widely known as the last decent car Peugeot made! Renowned for its tank like build quality and very economical, strong engine, the 406 Hdi is still proving incredibly popular

ONE PREVIOUS OWNER- CURRENT OWNER FOR 13 YEARS!- FULL SERVICE HISTORY - 9 STAMPS!- RECENT CAMBELT- VERY ECONOMICAL - 50 MPG!- BRAND NEW EXHAUST SYSTEM- VERY CLEAN- DRIVES WELL ++++++ This car has had one previous keeper who has owned this car since it was just 9 months old... So as you would expect, it has been well looked after. It has been serviced regularly with 9 stamps in the book and the all important timing belt has been changed. It also benefits from having a brand new exhaust! This car is very economical for a large saloon car and will happily return 50 MPG... amazing! It has only covered 106 000 miles which is nothingLooked after, this engine will go on forever! It drives very nicely, the suspension is smooth, the gearbox is good and being the 110 model, it pulls well.

+++++ Outside and inside as well as the engine. Metallic paint, probably the best car with the most really nice gear, the controls, the seats, the related interior, the exterior, the engine. The car was designed by Pininfarina and it looks very nice. A very comfortable and economical car, it has been well looked after by a term keeper and I'm sure it will serve the next owner very nicely. It drives well and feels very well put together. This is a decent family car which proves excellent value for money. If you have any questions or would like to come and view the car, please get in touch.
