What a car!! The legendary Peugeot 406 HDI 110... widely known as the last decent car Peugeot made! Renowned for its tank like build quality and very economical, strong engine, the 406 Hdi is still proving incredibly popular

ONE PREVIOUS OWNER. CURRENT OWNER FOR 13 YEARS! FULL SERVICE HISTORY – 9 STAMPS! RECENT CAMBELT. VERY ECONOMICAL – 50 MPG! BRAND NEW EXHAUST SYSTEM. VERY CLEAN. DRIVES WELL ++++++ This car has had one previous keeper who has owned this car since it was just 9 months old... So as you would expect, it has been well looked after. It has been serviced regularly with 9 stamps in the book and the all important timing belt has been changed. It also benefits from having a brand new exhaust! This car is very economical for a large saloon car and will happily return 50 MPG... amazing! It has only covered 106 000 miles which is nothing ....Looked after, this engine will go on forever! It drives very nicely, the suspension is smooth, the gearbox is good and being the 110 model, it pulls well.

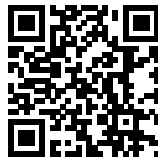

+++++ A great looking family car with lots of space inside. Very roomy in the front and back with a decent size boot. Very comfy seats! Grey interior with a wood trim. Everything is working as it should and has been well looked after with no rips, tears or bad smells. Very clean! Being the LX model, it comes with plenty of extras including Auto Climate Control, Air Conditioning (working!), 4 x Electric Windows, Automatic Lights, Automatic Wipers, Remote Control Radio/CD Player, Front Armrests, On Board Computer, Electric Mirrors.

+++++ outside. It really does well on roads. Metalwork is probably the best I've seen on a car with this type of engine. The seats are very comfortable and the car is very easy to drive. The engine is designed for longevity and economy. It has a very clean and well looked after interior. I'm a long term keeper and I'm sure it will serve the next owner very nicely. It drives well and feels very well put together. This is a decent family car which proves excellent value for money. If you have any questions or would like to come and view the car, please get in touch. You can contact me through eBay or on 07704 006603 07704 006603 (click to reveal full phone number) (Jason).
