Viewing is recommended SW1V 3DW. As I cannot accept returns due to house renovation so I would prefer you to come and check everything to make sure that you are 100% happy. I also have many other things from MUJI for SALE. Such as coat stand, side table, acrylic coffee table, Bin, Beds and Mattresses Cash on collection would be great.

I can help you find man with a van if you can not come to pick up by yourself. ;
