<https://www.freeadsz.co.uk/x-444594-z>

NEO-DERM® ULTRAcel models required

The most advanced technology for amazing non surgical face-lifts and collagen remodelling.

'party lift' before and after 2 months

- eye treatment (eye bag lift')
- acne and scar removal (including c-scars)
- 'party lift' (neck and jawline tightening)
- non-invasive face-lift
- 'ultralift' (face, neck, body)

save up to £1500! **book now on 0161 660 7587**
to receive 50% off ANY treatment!

Neo Derm Clinic Manchester now has a brand new non surgical skin tightening machine! The machine works by using High Intensity Focused Ultrasound, Radio Frequency and Microneedling. These can be used standalone or combined for maximum effectiveness. Prices vary depending on treatment but all models will get them half price! A model only means we will ask to take before and after pictures of the treatment - we can edit them so you still remain.
