For sale is our beloved Peugeot Bipper van. £1,800 inclusive of VAT. It's a lovely little runner which has served us faithfully for the last couple of years. It has done 120,000 miles, has a new alternator as of July 2016 and has just had a brand new CD player installed too. The MOT is until May 2017. It has a fully ply lined back with good storage for such a small van, it has 2.5 cubic metres of load volume or 2.8 cubic metres with the optional fold-flat passenger seat. As well as increasing the overall capacity the flat seat also extends the maximum load length from 1,523mm to 2,491mm, which is very pretty darn good for a van that's only 3,864mm in length overall! The fuel economy is good and overall it's a cheap little work horse with low insurance too. Any questions don't hesitate to get in.
