Transit MK6 Clean, reliable & solid, Never been welded. The van is in Bognor Regis, not Fareham. As you can see, she is well looked after & maintained, including any rust, which has been treated, not your usual builders van. Millage is 118000 & mot till 17th April 2017. only 2 FORMER KEEPERS. extras include hard-wired dash cam. Reversing camera. Chain-driven so no cam-belt to worry about. No rips in seats. I have been using this van myself for the last couple of weeks & everything works as it should. Very genuine van that I am sure you will be pleased with. she's a clean van with only a couple of minor marks, no dents!! & a couple of stone chips in the windscreen, which dosn't affect the mot. Please do NOT EXPECT A NEW VAN IN PERFECT CONDITION... She is 10 years old. No more txt messages,, please call if
