

Montague Paratrooper 18quot Folding Mountain Bike (399.99 GBP)

Location **East Midlands, Northamptonshire**
<https://www.freeadsz.co.uk/x-444681-z>

Bought brand new from Halfords last year (2015) for £719.99.

Perfect condition, like new - barely used.

A great bike, will be sad to see it go - but haven't got the room in my flat to store, & I'm lazy & have been using an electric bike for my commute to work!

The folding mechanism is really useful, I drive a very small 2-seater Smart ForTwo & could fit the bike in the car.

Halfords put inner tube 'slime' in the tyres, which apparently auto-seals small punctures.

Collection only please - Northampton (NN3)

Cash on collection please.

Any questions please just ask, thank you.

18" Montague Paratrooper Folding Bike

The Paratrooper is the original folding mountain bike from Montague. Its patented folding design was developed under a grant from DARPA to allow airborne soldiers to drop out of airplanes and helicopters, and into combat. The Paratrooper offers 24 speeds, front suspension, mechanical disc brakes, and a Rackstand for hauling gear. Known for its durability and load bearing capabilities, this folding bike has also developed a following with everyday commuters and weekend warriors. Montague Paratrooper
