

Village House - Costa del Sol (76,500 GBP)

Location **North, Lancashire**

Perfect "lock & go" holiday place. Newly refurbished, the price includes all furnishings & white goods. This house is very easy and inexpensive to run, and the deeds & legal paperwork for the house are all in good order. The utilities bills etc are paid by standing order. Mains electricity & water are metered, the gas is bottled. The house has 3 levels and a roof terrace (with fantastic views that make up for lack of garden). small lounge, 2 bedrooms, kitchen/diner, utility room, bathroom with toilet, basin, 1/2 bath & shower. Situated in lovely white village in rural Andalusia, yet only 10 minutes to coast & beaches, and 40 minutes to Malaga airport. The village of Sayalonga is known locally as "The jewel in the crown of Axarquia", and has normal small village facilities. Including town hall, doctor, post office, bank, pharmacy, garage, very pretty village square, open air swimming pool, small Friday market etc. There are of course larger shops/supermarkets on the coast, and the village is on a bus route. Why are we selling? - We have bought a larger property.
