This is a set of Manuals for Project Managers, Project Directors and IT Service Managers. The complete list is as follows: PM Body of Knowledge (4th Edition 2008) published by the Project Management Institute. Managing Projects the PRINCE2™ Way by Colin Bentley (2005) Encyclopaedia of Project and Programme Management (2007) published by TPG Academy A Project Team's Guide to PRINCE2™ (leaflet/wall chart 2006) published by Cognac Managing Successful Projects with PRINCE2™ (3rd edition 2002) published by OGC Managing Successful Projects with PRINCE2™ (5th edition 2009) published by OGC Directing Successful Projects with PRINCE2™ (First published 2009) published by OGC Managing Successful Programmes (First published 2007) published by OGC The Official Introduction to the ITIL® Service Lifecycle (1st edition 2007) published by OGC ITIL® Service Strategy (2nd impression 2007) published by OGC ITIL® Service Design (2nd impression 2007) published by OGC ITIL® Service Transition (2nd impression 2007) published by OGC ITIL® Continual Service Improvement (2nd impression 2007) published by OGC ITIL® v3 Small-scale Implementation (First published 2009) published by OGC ITIL® Lite (First published 2010) published by OGC. The books are offered only as one lot. They are in good condition. A typical price new for one of these books would be around £35. To buy all of them even second hand would cost around £150 to £200, while new they would cost more than £400. They would be of interest if you are learning or already engaged in Project Management and/or IT Service Management. PRINCE2 is the official government method for managing projects The set is quite heavy (12.5 Kilograms) and you can collect. Alternatively I will box and ship them (UPS) to the UK for an estimated additional £12 (added to the price) or to Europe (also boxed and UPS) for an estimated additional £27. Shipping prices would be subject to confirmation by UPS. I'm selling because I'm retiring and no longer require the books – but they are still useful and relevant to active Project Managers and Service Managers. Buy this set of manuals that are highly relevant to the management of Projects, Programmes and IT.
