D61cm W 277cm H 236cm PLEASE MESSAGE US WITH ANY QUESTIONS OR OFFERS WE WILL RESPOND AND CONSIDER YOUR OFFER!!! Beautiful wardrobe with all the interior shelves, rails and pull out baskets. Built in lights on top of the wardrobe so that the lights create dimmed lighting for the whole room. The wardrobes bought from IKEA Pax units and original price with all the interiors was just over £1100. We are making some structural changes in the house so the wardrobes no longer wanted as new bedroom furniture purchased. Please message us with any questions. We also have two dressing tables will upload separately. If you wish to purchase a number of items the price can be negotiated. We are located in Morden and you would need to arrange a day for collection. These are very tall units so larger van is needed. You will need to dismantle it, unless we find time to do which is not likely but we will help you. Payment by PayPal please. Thank you for:-)
