"Glen Millers Greatest" Vinyl LP was produced around 40 years ago in the 1970's and contains hits from the only 2 films he ever made. This vinyl is of great nostalgic value to the serious vinyl collector and will definitely increase in value in the future. Both record and sleeve are in excellent condition and is too good to miss at only £2. Vinyls like this don't come along very often as collectors tend to hang on to.
