Citroen XM 2.0 Turbo Exclusive Leather/Suede/Wood interior Alloy Wheels Anti draught rear window fitted Full MOT

Reluctant sale, lack of storage forces sale. A great opportunity to own a French classic, starts, drives and runs perfectly, suspension rises and falls correctly. O/s/r window not working, N/s/r sticks, both need new cables (available on Ebay). Some small marks and deterioration of plastic chrome side strips which adds to the overall patina of a car this age. Alloy wheels could do with a refurb. New front tyres and rears in good order. Exclusive trim getting rare.
