

Worx 18V Combi Hammer Drill. (20 GBP)

Location **South East, West Sussex**
<https://www.freeadsz.co.uk/x-445258-z>

This worx [WA3730 WA3731] drill is not that old but the charger has stopped charging the battery! replacements are available online don't feel it's worth replacing. Have bought another cheap drill. If anyone out there has a similar drill with a working charger, this will be a steal. Everything still works fine when charged. 2 x Li-on batteries.
