

Seastrike 19ft Aluminium Yamaha 60hp 4 stroke outboard (50 GBP)

Location **South West, Dorset**
<https://www.freeadsz.co.uk/x-445518-z>

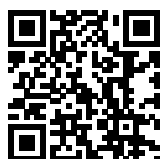

Seastrike 19 foot semi vee, 7.5 beam, fitted with a Yamaha 60hp 4 stroke outboard long shaft. This boat is a 2008 model that spent the first 2 years of its life as a show boat. The engine has had a recent full service and runs as new. The hull has been antifouled with aluminium antifouling this summer. The trailer is a top quality trailer that can be towed behind an average size family car, launches and retrieves easily 1-2 persons depending on experience. The boat is fitted with ship to shore radio, lights, fish finder, cd radio, electric bilge pump, power trim, rod holders etc. Comes with anchor with rope, fenders, life jacket, and any other bits i find. It is a stable sea going boat and does approx 27 knots good fast fisher. I believe it is 1320kg trailer and boat incl engine batteries etc, total.
