Manager's Comment "This stunning example of such a high specification Volkswagen Amarok is finished in the Deep black metallic and is complemented perfectly by the sumptuous leather upholstery. This vehicle has to be seen to be appreciated. The specification is almost too long to list but some of the main features are as follows: Alloy wheels really do set the car off as do the chrome running bars. The rear Privacy Glass screens the rear occupants from prying eyes. The vehicle is also equipped with heated leather seats for that real premium feel. Quite simply a stunning vehicle that is peerless in this sector. There has never been a better time to buy an Approved Used Vehicle from Brian Currie Van Centre.
