Due to time waters and moving to a smaller property very soon I am reducing this group of Period Furniture to progress the sale of it more quickly. Bargain for someone just too big for new bungalow. Will be sad to see it all go.....but needs must !!!

Approx 1930s Edwards's of Monmouth 3 Piece Suite. Completely Re-Upholstered about 7 years ago, everything new from the frame up. Covered in a tasteful, in-keeping, light Gold Velour. All carved wood Re-French Polished, mainly kept covered all that time.

Approx 1920s Mirror Backed Sideboard. Totally Re-French Polished about 6 years ago.

Approx 1930s Dining Table. (We have so many happy hours around this, it will be sorely missed) Approx 8ft X 4ft. Now reduced from £1500 for all to £1250 as I say due to time wasters. Will.
