

# Giant Travago Mountain Bike,Aluminium Frame amp Hydraulic Disc Brakes (150 GBP)

Location

South East, Kent

<https://www.freeadsz.co.uk/x-445805-z>

My bike has a compact frame but suitable for people of 5 to 6 feet tall as has a down swept top tube. The Wheels are aluminium with shimano quick release hubs, it has quality hydraulic forks the bike is in good order & would benefit from a service. It cost just under £600 but I will accept £150
