This is for my stunning leather and suede sofa. It is hand made beautifully stitched fine detail. It cost £4,000 so grab a bargain. The main body of the sofa is real quality leather with beautiful detailing and stitching. The cushions are top quality suede that has been treated to make it stain resistant. This is really comfortable and is a real eye catcher with people often commenting how lovely it is. Sad to see it go but downsizing my property means I have no room. It is in near mint condition with no visible signs of.
