South East, Oxfordshire

Manager's Comment "This stunning example of such a high specification Shuttle SE 150PS new spec Euro-6 is finished in Mojave metallic and is complemented perfectly by the Titanium trim. This vehicle has to be seen to be appreciated. The specification is almost too long to list but some of the main features are as follows: Rear privacy Glass keeping the occupants from prying eyes, obviously you have full Bluetooth telephone connectivity at your disposal & 3-Zone air conditioning keeping everyone cool regardless of your seat. Quite simply a stunning vehicle that is peerless in this luxury sector. There has never been a better time to buy an Approved Vehicle from Brian Currie. Please call 01908 681020 01908 6810...(click to reveal full phone number) for a live video on this vehicle."
