Ideal for a beginner to start on Good sound, There's a little chip on the Headstock but good condition and looks good. New strings...infact i think i have priced it too low! Collectio only..i have no packaging but if you wish to send a courier, it will have to be apprpriately packaged by them as any damage is at your risk and obviously expense..so seek appropriate courier/hanler for guitars...I have mentioned this on my other Guitar Ads. No Resposibility Taken for Couriers. Please see my other.
