Unfortunately I cannot have my puppy any longer ,we are a family of 2 mother and son and we don't have the time to see our dog. It's heartbreaking for us. His name is Prince very known in my area because of how good behaved and friendly he is with other dogs. His a vey loving and cute dog. He knows a couple tricks for example hi 5 or sit and also lay down I. He has a unique pattern and also has a heart pattern at the back of his body. He isn't nuded. His in good health state. He can be given home food or do food either way,he absolutely doesn't have a problem with food. He can stay by himself doesn't bark at all however he does intend to bug around the house if owners are out too long. His very very friendly with dogs and people. He has all his vaccinations done at the moment I. Also we will give you his favourite toys alongside him. He is toilet trained.
