BD220 – Smart Network Blu-ray Disc Player The stunning BDT220 is a full-HD 3D Blu-ray player complete with VIERA Connect, giving you access to the best of the web, including services such as BBC iPlayer, Netflix and YouTube for easy enjoyment of movies and streaming video. Accessing online services could not be easier with WIFI built-in. The BDT220 will also please your ears thanks to Panasonic's 96kHz Surround Re-master function, which further enhances the sound quality from your CDs and raises the quality of multi-channel audio data on Blu-ray discs to produce outstanding surround.
