Mersea Island is the most easterly inhabited island in the UK and retains the olde world charm of the fishing towns of the past. With its stable of fresh seafood restaurants and country pubs their is a bite to eat for everyone and for those looking for a more active time away there is everything from breath taking walks beneath the broad open sky's in the fresh sea air to the water adventures of sailing, jet ski's, boats and more. Just 15 minutes from Colchester, 20 minutes from the A12, 40 minutes from Ipswich, Chelmsford & Braintree Coopers Beach Holiday Park is located directly on the beach of East Mersea on Mersea Island. Being an owners based holiday park we are around 90% owners and do not cater for an touring or tenting holiday makers. Here you can either relax in the sun while the sea air freshens your lungs, gather round with friends ready for bingo, chat away over a glass of wine or a costa while the kids are entertained for you, the big kids are out on the water.
