

Cat Flap Installation (37.50 GBP)

Location

South East, East Sussex

<https://www.freeadsz.co.uk/x-447077-z>

Save your doors being scratched to bits by your furry friend with a cat flap installation to let them come and go as they please. With Winter just around the corner now is a great time to get a cat flap fitted since modern cat flaps are weather and draught proof, plus they save you from having to open the door to let your cat out. Cat flaps can be fitted in wooden, uPVC and composite doors or even through suitable walls, giving your pet easy access in or out, and saving you having to be their doorman. Cat flaps with a 4 way locking mechanism allow you to control whether they come, go, stay in or stay out, while microchip recognition flaps stop strays and other unwanted creatures accessing your home. Whichever type of cat flap you choose we ensure that the cat flap installation is in accordance with the manufacturers recommendations and ensure they're water tight by using external grade sealant for longevity to prevent ingress of water around the enclosure. If you prefer you can Ask Ben to supply and fit a cat flap saving you a trip to the shops or a spur of the moment online purchase. We only supply leading brand cat flaps that are proven to work consistently well so we can ensure your cat flap installation goes smoothly and works well for years to come. So if you're looking for a cat flap installer in Eastbourne Ask Ben for a free no obligation quote today to meet your Eastbourne cat flap installation needs. Installation only from £37.50 Supply and fit from only £64.49 www.askbenhandyman.co.uk/eastbourne-cat-flap/ ;
