

Vintage ROAD Bike 18quot Frame RESTORATION PROJECT (80 GBP)

Location

South East, Middlesex

<https://www.freeadsz.co.uk/x-447141-z>

This cycle is about 56 years old in need of a bit of work but everything is intact so would be a good project for somebody enthusiastic about vintage bicycles. Tyres are good but as I no longer have a cycle pump I am not sure of condition of inner tubes. Frame size is roughly 18", Wheel size is 26", 3 Speed and Dynamo Buyer
