Sharing with a dynamic, creative flatmate, and a lovely cat! It's a great space to be in! Lots of big windows with loads of light. You'd be renting one double bedroom and bathroom in two bed 2 bath flat, so plenty of space and privacy. Shared courtyard garden is perfect for chilling with a glass at the end of the day, or BBQ at the weekend. High speed broadband. 1 parking space available. Minutes from Roundwood Park with it's excellent cafe. A short walk further to Willesden Green with the 5th best restaurant in London, Sushi Say. And a bit further to Kensal Rise with it's wonderful shops, the Queen's Park Farmers Market and Paradise by Way of Kensal Green! I'm in the arts and keep a very healthy, organic, household. I love to cook, I practice yoga and meditation, and I love to dance and go for long walks in nature. I'm an avid theatre and cinema goer, and always welcome company! Please include information about yourself in your enquiry. Work, leisure, favourite foods to prepare! How do you spend your evenings and weekends, generally. One month's deposit, required. Bills included, though, winter heating requires a supplemental fee. Please note, for long term, the property is suitable for a single person. Anyone wanting a short stay can email me for rates. Couples considered for short term only. Looking forward to hearing from you! NO!!!
