The fearsome Nepalese soldiers have been part of the British Army for almost 200 years, their motto is "Better to die than be a coward". One might not remember the historical facts but you will recall the fierce battle to give retired Gurkhas the right to settle in the UK. In 2009, arrangements were made also to allow those who had retired before July 1997 to remain in the UK, together with their families. Moving is not an easy step; there are many problems and pitfalls along the way. If you decide to settle in the UK, please do not hesitate to contact us for help. 19 Sep, 2016 Contact No. : ++44 (0) 20 3586 4050, ++44 (0) 75 8293 2830 Email ID: Website: <http://www.aschfordslaw.com/gurkha-immigration>
